YOUR GROUP'S CUSTOMIZED EXPERIENCE INCLUDES:

- A free hardcopy of Laurie's new book, *Betting On You: Put Yourself First and (Finally) Take Control of Your Career*
- An engaging 45-minute experience with Laurie that includes a 30-minute interview with a VIP member of your community (or one of her influential friends with expertise on leadership) discussing how they lived the values in this book, put themselves first, and ultimately took control of their careers
- Live Q & A with Laurie and her guest

CAN YOU CONTROL YOUR OWN CAREER? YOU BET YOUR ASS YOU CAN!

"Fixing work is an inside-out job. When you improve your personal life, you elevate your professional career. When you tackle your problems, you fix problems for others. When workers express self-leadership, they fix work by fostering a culture of accountability and responsibility. It may sound crazy but I know it works. And I'm betting it will work for you too."
